of its programs, the clarity of  
its purpose, and the quality  
and character of its faculty

# Thank You

## Dear Friends,

As we embark on a new academic year, we would like to express our sincere gratitude for your continued support of Kiski. Through the generosity of our alumni, trustees, friends, faculty, and parents, we raised \$541,451 for the 2015-16 Kiski Fund.

We continue to be overwhelmed by the kindness of our donors. We are proud to report that a new record for overall giving has been set: in total, \$4,385,635 was raised through The Kiski Fund, our *Leadership for the 21<sup>st</sup> Century Capital Campaign*, the Educational Improvement Tax Credit, and the Tower Society. Thanks to the recent success of our capital campaign, we witnessed the opening of the Ross Athletic Center last fall, and, this summer, we began construction on the Vlahos Hall renovation project. This incredible momentum has challenged us to set higher goals. By the end of this year, we hope to close the campaign with at least \$27 million in donations and pledges in-hand.

We would like to extend a special thank you to our Class Captains and Parent Committee members who volunteered their time to encourage participation in last year's fundraising efforts. As advocates for our School and our boys, they are directly responsible for expanding our list of contributors. Some donors gave after an absence of a year or more, while others made a first-ever gift. As we continue our mission to prepare young men to succeed in college and in life, we rely on your support to keep up with the growing expenses associated with the exceptional educational experience offered.

In the pages ahead, you will see the names of hundreds of donors who supported Kiski and our programs from July 1, 2015 to June 30, 2016. Your donations allowed us to launch new academic initiatives, improve our campus grounds and buildings, and provide essential scholarship assistance. Without question, your generosity has positively impacted the lives of our students as they continue to grow and reach their full potential.

We are very appreciative for your willingness to give to Kiski, and hope you will come back to campus to see all the remarkable changes that are taking place. Kiski is truly a special place and we are grateful that you continue to be an important part of our vibrant school community.

With our best wishes,

Christopher A. Brueningsen

# Fiscal Year 2016 Summary

The 2015-16 fundraising year was exceptional by many measures. A new record for overall funds raised during one fiscal year was set again. After finishing just shy of \$4 million each of the past two years, you created a new standard by giving \$4,385,635 between July 1, 2015 and June 30, 2016.

That astounding amount was once again boosted by support of our Educational Improvement Tax Credit (EITC) program. Overwhelming support of the ongoing capital campaign that is transforming our campus is also a large part of the new overall giving record. Complete lists of EITC and capital campaign donors are shared in this report.

While the capital campaign advances and improves the future of our School, The Kiski Fund provides significant support for day-to-day operating expenses. This year, Kiski Fund support totaled \$541,451. Slightly over 19% of that amount was raised during the last week of the fiscal year alone. Once again, every gift truly mattered.

Outreach to our generous and willing supporters was amplified by Kiski volunteers. Class Captains, Kiski Fund Parent Committee members, the Board of Visitors group, and the Board of Trustees leaders promoted our School as a worthy investment to their peers. There were surely others that encouraged Kiski contributions that did not hold a volunteer title, and we are grateful for all of you.

The impact that volunteers made on The Kiski Fund can be illustrated by positive growth in many areas. Most notably, 232 new donors joined or rejoined The Kiski Fund. Many were rejoining after a year or more of absence from giving, and 30 of those donors had not made an annual gift in over five years. Another 91 donors made their first-ever Kiski Fund gift.

Those volunteer groups led by example. The Board of Trustees achieved 100% participation in The Kiski Fund once again, and set a new record for Trustee giving at \$140,664. The Board of Visitors contributed \$85,863 and Class Captains tallied \$95,571 for the annual fund. Kiski Fund Parent Committee volunteers each gave their own gifts, leading their peers to a new Current Parent giving record of \$99,137. Speaking of incredible parent giving, 116 past parents – parents of Kiski students that graduated before 2016 – gave \$56,797.

Two areas of focus for the previous fiscal year also experienced continued positive growth. A group of 30 donors joined the Andrew Wilson Leadership Association with gifts of \$1,888 or more. Young Alumni giving – emphasizing contributions of all sizes made by alumni that graduated within the previous ten years – increased by 5%. Those areas of progress reinforced the consistent benevolence of our renewing Kiski Fund supporters. Over 86% of The Kiski Fund or \$466,563 was contributed by renewing members, including 141 that increased their gifts from the 2015 annual fund.

Increased and retained engagement also fueled our success. Our volunteers reconnected Kiski alumni through their outreach efforts. That assistance led to great event attendance throughout the year, culminating in another unforgettable Reunion Weekend.

The Class of 1966 enjoyed solid attendance for their 50<sup>th</sup> reunion. The Class of 1991 also returned in great numbers to commemorate their 25<sup>th</sup>, and took the Reunion Giving Cup with the highest Kiski Fund participation percentage leading up to Reunion Weekend. Tom Wehe '76 was recognized as the furthest traveling alumnus trekking all the way from Woodinville, WA. Ned Entwisle '63 also stopped through earlier in the day from Wasilla, AK. Bob Carson '49 was recognized as the most experienced alumnus.

We sincerely hope that you remain engaged with Kiski, and that you find our mission to prepare young men to succeed in college and in life worthy of your interest and investments. Kiski has always benefited from the benevolence of parents, alumni, and friends of our School. That tradition has helped us to our current state, and will be necessary to sustain our School in the years ahead. Thank you.

Thank you to all who promoted Kiski  
to your friends and family, and to  
everyone who helped us set a record  
fundraising year in 2015–2016.

We are proud to report 100% participation in The Kiski Fund from our Board of Trustees, for a total of \$140,664 in unrestricted donations to our annual fund!

### The Kiski Science Trust Fund

In 2008, alumnus Elliot B. McConnell Jr. '46, established The Kiski Science Trust. The Kiski Science Trust is an endowed fund to be used for teaching as well as promotion of the sciences at Kiski. The trust is valued at nearly \$90,000. The Science Trust has also been generously supported by Harry Seibel '00, Van Messer '69 and Mr. McConnell's family members. The fund benefits the sciences at Kiski by providing annual cash flow to purchase state-of-the-art scientific equipment, attain science-industry guest speakers, explore the sciences outside of the classroom, and allow the students to attend science-related field trips. Elliot's hope is to help Kiski be nationally recognized for science education. This trust provides an example of ways in which donor support for Kiski enables the School to achieve its goals and maintain excellence in all aspects of the educational experience. If you have an area in which you would like to help The Kiski School achieve its goals of excellence, please contact Steven T. Szilagyi '88 at 724-639-8029.

# Donor Recognition for the Board of Visitors

## The Kiski School Board of Visitors

The Kiski Board of Visitors was created seven years ago to allow engaged and supportive alumni the opportunity to personally help advance the School and its mission, as well as directly plan for the institution's continued growth and success. It is comprised of some of our most active alumni, who work closely with Chris Brueningsen, Steven T. Szilagyi '88, the full administrative team, and the Board of Trustees. These members shape Kiski's future by assisting in strategic planning, discussing important issues related to Kiski's advancement and success, and supporting The Kiski Fund and Capital Campaign.

Thank you for your support, leadership, and dedication to Kiski.

### *Why the emphasis on participation?*

**"Foundations have donated over eight million dollars to Kiski during the last decade. Annual fund participation percentage is a key factor they consider when reviewing our support request. That percentage of giving to The Kiski Fund is viewed as an approval rating. Since the focus is not on the dollar amount, even modest support sends the same positive signal."**

## Giving Tuesday

Kiski adopted a popular initiative with its first Giving Tuesday on December 1, 2015. The concept is to follow Black Friday, and Cyber Monday – days of shopping – with a day of giving. Charitable organizations worldwide encourage their supporters to make contributions on that specific day.

For Kiski's first year of participation, the goal was to have 75 unique donors contribute to the Kiski Fund during that 24-hour span. That may seem aggressive considering that represents a tenth of our total donors throughout an entire year. However, 90 Kiski supporters rose to the challenge to make the day a success.

While the effort was focused on Kiski Fund engagement and participation on any giving level, it is exciting to note that \$46,588 was raised during the 24-hour period. It is even more thrilling to note that participating donors represented a diverse collection of constituencies. Current and past parents contributed. Gifts came from as close as campus and as far as outside of the United States. Alumni gave from the Class of 1951 to the most recent graduating class. Faculty members, Trustees, Board of Visitors members, Class Captains, and even a current student gave when he heard about the special day.

Many of the Giving Tuesday gifts were inspired by generous challenges offered by some of our most ardent supporters. Each of the following challenges was accomplished.

- Greg Lignelli '95 made a \$5,000 gift once 15 young alumni (graduates from 2006-2015) donated.
- Dean Mosites '72 and an anonymous donor from the Class of 1964 gave \$7,500 each after we received gifts from 45 alumni or past parents.
- Aimee and Jim Usher – Current Parents – gave \$7,500 after ten other current parents gave.

Thank you to *all* that participated. We will release the details for our second Giving Tuesday – November 29, 2016 – soon.

**“Kiski has given me so much; words cannot describe how grateful and thankful I am. I want to be able to give back, even if it is not the largest amount, because I cherish the memories that I had and the amazing experience that has shaped me into the man I am today. There is no better way to give back to Kiski whom cares about you and has changed your life forever.”**

– Class Captain, Giving Tuesday Participant, and member of the 1888 Young Alumni Club, Mr. Aaron Magazine '14

## Headmaster's Cup Competition

Each year, we rely upon our fantastic Class Captains to energize and organize their classmates to come together to support Kiski. The **Headmaster's Cup** provides recognition to the classes and Class Captains who have made an extraordinary effort to give back to Kiski. The **Most Dollars** and **Most Donors** Awards are given to classes contributing the largest amount and having the highest number of donors to The Kiski Fund from July 1, 2015 to June 30, 2016. Likewise, classes have the opportunity to achieve the Award for **Highest Percentage of Participation** in the fiscal year. This gives classes who have fewer members a chance to achieve recognition for their efforts. The **Highest Percentage of Participation** award is a competition for classes with at least ten classmates that can be solicited.

# Gifts to The Kiski Fund by Current Parents

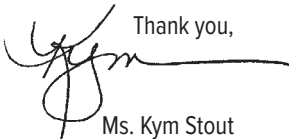

## Dear Parents,

My time as a “Current Kiski Parent” came to an end this past May. As I watched the class walk across the quad, I tried to remember them as the awkward, lanky boys that freshmen and sophomores often appear. The group that stood in front of the many parents, grandparents, siblings and friends were no longer boys but young men. They were prepared to face the challenges of college and the world beyond Kiski by the faculty and administrators who helped to make that day so special. We heard speeches from the head prefect and the valedictorian conveying a maturity far beyond what we often expect from teenagers. What was remarkable, despite how different the backgrounds of these young men might have been, Kiski prepared them to be confident, articulate young adults. As I listened to the many conversations between the boys and their families, faculty and friends after graduation, it was evident that Kiski had prepared 48 other young men just as well.

These young men would likely never be in the same place as a group again, but the bond of being a Kiski brother was evident in the hugs, the cheers, the tears, and the hesitation by many to leave campus for the final time. The moving and memorable graduation ceremony is one of the traditions that is supported, in part, by The Kiski Fund.

The generosity of parents who support The Kiski Fund provide our boys with a variety of experiences and opportunities both in and outside of the classroom. Weekend trips, dances, travel to sports competitions and leadership activities are supported by your donations. Excellence through professional development is made available to faculty through the annual fund. Tuition alone does not cover the full cost of providing a Kiski education. The difference is covered by monies raised through unrestricted annual gifts – The Kiski Fund.

In recent years, schools like Kiski have been challenged by traditional sources of charitable funding to broaden and deepen relationships with other constituencies. Kiski has risen to the challenge. Increased financial support has come from every group: faculty, administrators, trustees, friends, alumni and parents. Parent annual fund giving reached a record level, ending the year at \$99,137. As Chair of The Kiski Fund Parent Committee I say, “Thank you” to the Committee Members who worked diligently on behalf of our boys and our School. Thank you to all the parents who generously donated to The Kiski Fund. Thank you for trusting your boys to Kiski. I hope that your affection for Kiski continues long past the days that your son is a student. I know mine will.

Thank you,  
  
Ms. Kym Stout  
Parent of Ben '16

# Giving to Kiski

Small class sizes are a cornerstone of a Kiski education. They also lead to smaller alumni and parent groups to contact for support. Therefore, every gift matters that much more.

## Why Give to Kiski?

Perhaps you are an alumnus and would like to contribute to the education of the current class of Kiski boys, just as alumni donated to The Kiski Fund when you were a current student. Or, maybe you are a current parent whose gift will support the faculty and programs that make Kiski so special to your family. Maybe you are a “Friend of Kiski” and simply believe in the good work we are doing with boys. Regardless of your motivation to give, your gift will be greatly appreciated by the boys who receive your support.

## Kiski’s Annual Fund: “The Kiski Fund”

The Kiski Fund is the School’s annual fundraising priority and a vital source of revenue. Every dollar raised is used to support the operating budget for the current year and assures the highest-quality educational experience for our boys. The Kiski School relies on the fund to fulfill current budgeted operating expenses. Your support enables Kiski to achieve its mission of preparing young men to succeed in college and in life.

For Kiski boys, all of this translates into a traditional college preparatory curriculum enhanced by diverse offerings in the arts and a robust technology program. Small classes allow teachers, almost all of whom live on campus, to model the habits we expect students to learn and practice: honesty, civility, tenacity, and open-mindedness. Our teachers are experts in the education of boys. They understand their unique learning needs and they know how to reach and teach young men. Most importantly, they love what they do. Moreover, our faculty is committed to helping our students develop what many have termed “21<sup>st</sup> Century Skills” – the proficiencies they will need to survive and thrive in college and beyond.

# Giving to Kiski

## Your gift to The Kiski Fund supports the following areas:

### ■ Academics/Classroom

Curriculum enhancement in and beyond the traditional classroom, such as Kiski's Inventionland Institute.

### ■ Arts

The supplies, materials, and instruments necessary to inspire creativity and personal expression through theater, music, woodworking, and more.

### ■ Athletics

Offering opportunities for healthy competition, exercise, sportsmanship, and personal growth. For example, all athletic travel to away games as well as new jerseys and equipment.

### ■ Building and Grounds

Maintaining academic and athletic facilities, dormitories, and student spaces for an optimal living and learning environment. This includes necessities for the dorms such as shower curtains, microwaves, light bulbs, and other supplies.

### ■ Financial Aid

Providing the resources to attract a student population that is highly diverse, talented, and motivated to succeed at Kiski.

### ■ Headmaster's Initiatives

Enabling the School's administration to address faculty needs both in and outside of the classroom. This area includes conferences, workshops, and trainings for faculty and their Departmental Learning Communities.

### ■ Student Life

Enriching the life of every Kiski boy with diverse, cultural, artistic, and recreational activities and programs. This section encompasses activities such as the Senior trip to Washington, DC, Junior field trip to Gettysburg, Freshmen trip to Kennywood, End of Year Dorm Parties, speakers and performers for assemblies, dances and other special occasions in the Swank Student Center, Brothers' Weekend, and Prefect Training.

### ■ Technology

Providing the most current and relevant hardware, software, and resources to best serve and prepare each Kiski student for his future.

Gifts to Kiski are possible through a number of ways.

### *Making Your Gift is Easy and Convenient*

■ **Online:** You may give online to The Kiski Fund via our secure web site [www.kiski.org/giveonline](http://www.kiski.org/giveonline).

■ **Monthly Payments:** The *21<sup>st</sup> Century Society* provides you the opportunity to make your Kiski Fund gift in monthly, automatic installments from your debit account or credit card at [www.kiski.org/giveonline](http://www.kiski.org/giveonline). With this convenient method, you may spread your gift payments over multiple months during the fiscal year.

■ **Mail:** You may mail a check payable to “The Kiski School” with a memo for “The Kiski Fund.”

■ **Pledge:** A pledge is a way of stating your intention to make a gift while deferring the actual payment of the gift to a later more convenient date, or through a series of installments. This is a great option for those who wish to give at a desired level without having to provide a lump-sum gift.

■ **Matching Gifts:** Your employer may effectively double – even triple – the amount of your gift to Kiski. Please consult your company’s human resources contact to ask about your employer’s matching gift policy for donations to a 501(c)3 organization.

■ **EITC Gifts:** The Educational Improvement Tax Credit Program allows Pennsylvania-based businesses to donate funding to financial aid at Kiski while gaining valuable tax credits.

■ **Securities:** You may make a gift of appreciated securities by contacting the Advancement Office.

■ **Planned Giving:** The Kiski Tower Society recognizes individuals who have remembered The Kiski School in their will and estate as a planned gift.

■ **Capital Funds/Major Gifts:** During Capital Campaigns, Kiski designates specific needs and goals carefully designed to ensure a successful future for the School and our students. These initiatives add to the endowment fund, provide funding necessary for new facilities and/or renovations, or make possible new program initiatives strategically identified as a specific need to meet ongoing goals of the School’s educational mission.

### **Please make a difference today!**

By giving and getting involved this year, and every year, you make a difference in the lives of Kiski boys. Your gift supports the programs and activities that define the Kiski experience.

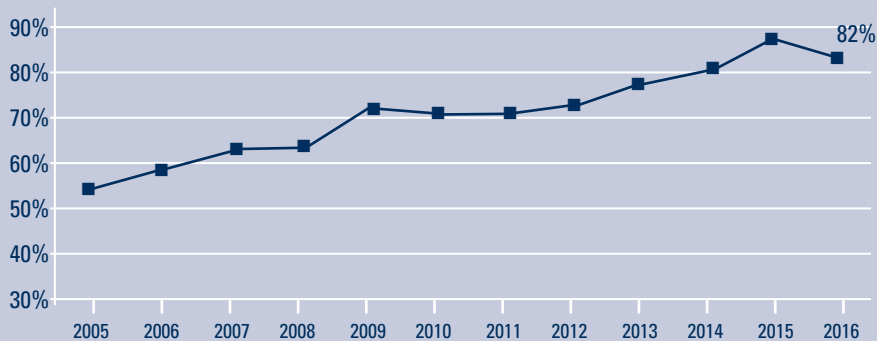

For more information or if you have any questions about Kiski’s fundraising programs and initiatives, please contact the Advancement Office at **724-639-8029** or [advancement@kiski.org](mailto:advancement@kiski.org).
