We are proud to report 100% participation in The 2017–18 Kiski Fund from our Board of Trustees, for a total of **\$167,716** in unrestricted donations to our annual fund.

Thank You

Dear Friends:

Thank you for your generous sponsorship during Kiski's 130th school year. There were many high points, and we are honored to celebrate your support of these accomplishments in this Annual Giving Report.

We are very pleased to share the news that our capital campaign, *Leadership for the 21st Century*, which began with a goal of \$12 million in 2012, concluded with nearly \$34 million in new funding for Kiski. We hope you will have a chance to visit campus and see firsthand the transformational impact of your generosity. In addition to all the renovations and additions and other improvements to our physical plant, the campaign supplied pivotal support for endowed scholarship funding and annual operational needs such as programmatic innovations, enhanced athletic offerings, expanded leadership development opportunities, and much more.

Our annual fund – The Kiski Fund – surpassed a half-million dollars for the fifth consecutive year. The annual drive closed at \$521,975 with support from alumni of all eras, parents of past and current students, and other friends of Kiski. That amount combined with campaign contributions and other restricted gifts totals nearly \$3.6 million raised during the fiscal year ending June 30, 2018.

Our new marketing campaign emphasizes a well-known truth: “Kiski is life-changing.” You, our alumni, parents, and friends of Kiski have witnessed and experienced this reality. Your support has helped us to change lives, and we appreciate the active role you’ve taken in continuing this core theme for the boys in our care.

We look forward to the graduation of another group of determined young men who have realized their true potential through rigorous challenges presented in and out of the classroom. Please know that you are an important part of making these achievements possible for all Kiski boys.

With all good wishes and our most sincere thanks for your ongoing support of Kiski, we are

Sincerely yours,

Christopher A. Brueningsen

Donor Recognition for Total Giving

Giving Tuesday

Kiski adopted a popular global non-profit initiative with its first *Giving Tuesday* on December 1, 2015. The concept is to follow Black Friday, and Cyber Monday (days of shopping) with a day of giving. Charitable organizations worldwide encourage their supporters to make contributions on that specific day.

In that first year, we set an aggressive goal to have 75 unique donors contribute to The Kiski Fund (over 10% of our total number of donors from the previous year). During that 24-hour span, we received gifts from 90 Kiski supporters!

In 2016, we set a new record for participation. By besting our first year, we unlocked \$22,500 in challenge gifts. In all, \$46,096 was raised for Kiski Boys during that one 24-hour window.

Last year, you helped us set a new participation record which earned \$35,000 in challenge gifts pledged by a group of Trustees. In total \$85,064 was raised on Giving Tuesday, November 28, 2017.

This year, we will set our sights on receiving Kiski Funds gifts
– of any size – from over 125 unique donors.
Save the date: Giving Tuesday 2018 is November 27th.
More details will be shared soon!

The Kiski Science Trust

In 2008, alumnus Elliott B. McConnell Jr. '46, established The Kiski Science Trust. The Kiski Science Trust is an endowed fund to be used for teaching as well as promotion of the sciences at Kiski. The Science Trust has also been generously supported by Harry Seibel '00, Van Messer '69 and Mr. McConnell's family members. The fund benefits the sciences at Kiski by providing annual cash flow to purchase state-of-the-art scientific equipment, attain science-industry guest speakers, and explore the sciences outside of the classroom by allowing the students to attend science-related field trips. Sadly, Mr. McConnell passed away on August 9, 2018, but his impact on the Kiski science program will continue. His hope was to help Kiski be nationally recognized for science education. This trust provides an example of ways in which donor support for Kiski enables the School to achieve its goals and maintain excellence in all aspects of the educational experience. If you have an area in which you would like to help The Kiski School achieve its goals of excellence, please contact Steven T. Szilagyi '88 at 724-639-8029.

Mr. McGuire instructs Kai Wisniewski '19, and Ryan Brett '19 on the use of the new laser cutter. Funding for the laser cutter was provided by Mr. and Mrs. David L. Kuhns '64, the Robertshaw Foundation, and the Kiski Science Trust.

Donor Recognition for the Capital Campaign

Capital Campaign Support

Kiski is committed to regular and thorough strategic planning. To help achieve critical objectives identified in the planning process, the school embarked on a fundraising effort, “Leadership for the 21st Century,” in 2012. The plan outlined significant improvements and expansions of our campus facilities. The initial campaign goal of \$9 million was later expanded to \$31 million. Ultimately, the campaign exceeded even that goal, closing with \$33.6 million in transformative funding. With our goal surpassed, fundraising for our “Leadership for the 21st Century” campaign has drawn to a close.

The most recently completed project, the renovation of Kalnow Hall – now named the Zeigler Science Center in honor of longtime faculty member Jacob E. Zeigler – was finished during the summer of 2018. An outdoor all-purpose sport court was also added on the site where Clark Hall once stood. The next projects on the construction schedule include the renovations of Heath, Turley and Rees Halls. All six dormitories have been renovated recently; however, McClintock, Daub, and Fosnaugh Halls are due for updates that will improve efficiency and extend the longevity of each dormitory. Look for more information and photos in the next Kiski *Bulletin*.

When construction for the campaign concludes, improvements will have been made to all corners of the Kiski campus. “Leadership for the 21st Century” also included new pledges to our Tower Society (planned gifts from donors that have designated Kiski as a beneficiary in their will and/or estate plans), Endowed Scholarship funding, and annual operation fundraising.

Kiski's Class Captains

Class Captains act as liaisons between their School and classmates. They volunteer their time to find lost classmates with outdated contact info. We often ask them to aid our outreach efforts for events, and they amplify our requests for continued Kiski Fund support from alumni.

The phenomenal turnout for recent events can be directly attributed to the efforts of this group. Likewise, fundraising successes are realized only through the engagement of alumni – from all giving abilities – by Class Captains.

Our strength as a School is directly related to the number of alumni that are active in our community. We attribute our high marks in this area to the following **157** alumni volunteers. If you are interested in joining this esteemed group, please contact the Advancement Office at 724-639-8029 or advancement@kiski.org.

Kiski's Board of Visitors

The Kiski Board of Visitors was created nine years ago to involve engaged and supportive alumni in the strategic advancement of Kiski's mission. The leadership group works closely with Chris Brueningsen, Steven T. Szilagyi '88, the full administrative team, and the Board of Trustees. Members discuss important issues related to Kiski's advancement and success, and lead by example with their personal support of The Kiski Fund and Capital Campaign. The board is well-informed, positioning members to serve as valuable Kiski advocates for their classmates and prospective Kiski Boys and parents.

Thank you for your dedication, insight, support, and promotion.

Educational Improvement Tax Credit Donors

The following businesses made gifts to support the financial aid of deserving Kiski boys and received significant tax credits in return through Pennsylvania's Educational Improvement Tax Credit (EITC) program. Those credits can reduce the actual cost of those donations to a small fraction of the overall gift to Kiski financial aid, making this program a true win-win.

**Kiski has received over \$3 million
in financial aid through the EITC program
since its inception in 2001!**

If your business pays one of the several eligible PA taxes listed below, the combination of EITC tax credits and regular charitable deductions available can substantially reduce your tax liability.

Eligible PA Taxes:

- Personal Income Tax
- Corporate Net Income Tax
- Bank Shares Tax
- Title Insurance & Trust Company Shares Tax
- Insurance Premium Tax (excluding surplus lines, unauthorized, domestic/foreign marine)
- Mutual Thrift Tax
- Malt Beverage Tax
- Retaliatory Fees under section 212 of the Insurance Company Law of 1921

**For information please contact Steven T. Szilagyi '88 at

Guests recounted the day over dinner and drinks following the conclusion. Headmaster Christopher Brueningsen delivered a Kiski update before prizes were awarded for lowest scores and skills by Associate Headmaster for Institutional Advancement, Mr. Steven T. Szilagyi '88.

Donor Recognition for Planned Giving

The Tower Society

The Tower Society recognizes individuals who have designated Kiski as a beneficiary in their will and/or estate plan and have informed Kiski and the Advancement Office of those intentions. Tower Society members demonstrate remarkable foresight in ensuring their legacy through a planned gift to Kiski. Gifts through the Tower Society generally include trusts, life and other insurance policies, Charitable Remainder Trusts, Charitable Lead Trusts, IRA Charitable Rollovers, and additional funds which enable you to structure a gift to maximize tax and financial benefits.

A planned gift to Kiski can be part of an important and lasting legacy you leave behind to support and educate future generations. Your membership in The Tower Society will ensure Kiski's future for those who come after you. To learn about planned giving and becoming a member of The Tower Society, please contact Steven T. Szilagyi '88, Associate Headmaster for Advancement, at 724-639-8029 or steven.szilagyi@kiski.org.

"My wife Melinda and I were interested in a giving method that would support and sustain Kiski for the long-term. We used a life insurance product to make our planned gift. By making annual tax deductible contributions to Kiski, we fund the yearly insurance policy premiums."

Headmaster’s Cup Competition

(Unrestricted Gifts to The Kiski Fund Only)

Each year, we rely upon our fantastic Class Captains to energize and organize their classmates to come together to support Kiski. The **Headmaster’s Cup** provides recognition to the classes and Class Captains who have made an extraordinary effort to give back to Kiski. The **Most Dollars** and **Most Donors** Awards are given to classes contributing the largest amount and having the highest number of donors to The Kiski Fund from July 1, 2017 to June 30, 2018. Likewise, classes have the opportunity to achieve the Award for **Highest Percentage of Participation** in the fiscal year. This gives classes that have fewer members a chance to achieve recognition for their efforts. The **Highest Percentage of Participation** award is a competition for classes with at least ten active classmates.

Gifts to The Kiski Fund by Parents

We would like to thank our parents for supporting The Kiski Fund while funding the education of their Kiski Boys. These gifts are seen as a strong show of confidence in Kiski, and a measure of support that foundations consider when they review our grant requests. Over the past decade, over \$10 million has been contributed to Kiski by foundations and we are certain that parent participation in The Kiski Fund – on all levels – contributed positively to those decisions.

Volunteer members of The Kiski Fund Parent Committee dedicate their time to encouraging peer participation in The Kiski Fund. Thank you for your advocacy.

Giving to Kiski

Small class sizes are a cornerstone of a Kiski education. They also lead to smaller alumni and parent groups to contact for support. Therefore, every gift matters that much more.

Why Give to Kiski?

Perhaps you are an alumnus and would like to contribute to the education of our current class of Kiski Boys, just as alumni donated to The Kiski Fund when you were a current student. Or, maybe you are a current parent whose gift will support the faculty and programs that make Kiski so special to your family. Maybe you are a “Friend of Kiski” and simply believe in the good work we are doing with boys. Regardless of your motivation to give, your gift will be greatly appreciated by the boys who receive your support.

Kiski’s Annual Fund: “The Kiski Fund”

The Kiski Fund is the School’s annual fundraising priority and a vital source of revenue. Every dollar raised is used to support the operating budget for the current year and assures the highest quality educational experience for our boys. The Kiski School relies on the fund to fulfill current budgeted operating expenses. Your support enables Kiski to fulfill its mission of preparing young men to succeed in college and in life.

For Kiski Boys, all of this translates into a traditional college preparatory curriculum enhanced by diverse offerings in the arts and a robust technology program. Small classes allow our teachers to model the habits we expect our students to learn and practice: honesty, civility, tenacity, and open-mindedness. Our teachers are experts in the education of boys. They understand their unique learning needs and they know how to reach and teach young men. Most importantly, they love what they do. Moreover, our faculty is committed to helping our students develop what many have termed “21st Century Skills” — the proficiencies they will need to survive and thrive in college and beyond.

Giving to Kiski

Your gift to The Kiski Fund supports the following areas:

■ Academics/Classroom

Enabling curriculum enhancement in and beyond the traditional classroom, such as Kiski's Inventionland Institute.

■ Arts

Acquiring the supplies, materials, and instruments necessary to inspire creativity and personal expression through theater, music, woodworking, and more.

■ Athletics

Offering opportunities for healthy competition, exercise, sportsmanship, and personal growth. For example, all athletic travel to away games as well as new jerseys and equipment.

■ Building and Grounds

Maintaining academic and athletic facilities, dormitories, and student spaces for an optimal living and learning environment. This includes necessities for the dorms such as shower curtains, microwaves, light bulbs, and other supplies.

■ Financial Aid

Providing the resources to attract a student population that is highly diverse, talented, and motivated to succeed at Kiski.

■ Headmaster's Initiatives

Enabling the School's administration to address faculty needs both in and outside of the classroom. This area includes conferences, workshops, and trainings for faculty and their Departmental Learning Communities.

■ Student Life

Enriching the life of every Kiski Boy with diverse cultural, artistic, and recreational activities and programs. This section encompasses activities such as the senior trip to Washington, DC, junior trip to Gettysburg – that includes a visit beforehand by Kiski alum Jon Baker '84 who creates a Civil War experience on campus – freshmen trip to Kennywood, end of year dorm parties, speakers and performers for assemblies, dances and other special occasions in the Swank Student Center, Brothers' Weekend, and Prefect Training.

■ Technology

Providing the most current and relevant hardware, software, and resources to best serve and prepare each Kiski student for his future.

Easy and Convenient ways to make your gift to Kiski:

- **Online:** You may give online to The Kiski Fund via our secure website www.kiski.org/giveonline.
- **Monthly Automatic Recurring Credit Card Gifts:** The *21st Century Society* provides you the opportunity to make your Kiski Fund gift in monthly, automatic installments from your debit account or credit card at www.kiski.org/giveonline. With this convenient method, you may spread your gift payments over multiple months during the fiscal year.
- **Mail:** You may mail a check payable to “The Kiski School” with a memo for “The Kiski Fund.”
- **Pledge:** A pledge is a way of stating your intention to make a gift while deferring the actual payment of the gift to a later more convenient date, or through a series of installments. This is a great option for those who wish to give at a desired level without having to provide a lump-sum gift.
- **Matching Gifts:** Your employer may effectively double – even triple – the amount of your gift to Kiski. Please consult your company’s human resources contact to ask about your employer’s matching gift policy for donations to a 501(c)3 organization.
- **EITC Gifts:** The Educational Improvement Tax Credit Program allows businesses that pay Pennsylvania state taxes to donate funding to financial aid at Kiski while gaining valuable credits against what is owed.
- **Securities:** You may make a gift of appreciated securities by contacting the Advancement Office.
- **Planned Giving:** The Kiski Tower Society recognizes individuals who have remembered The Kiski School in their will and estate as a planned gift.
- **Capital Funds / Major Gifts:** During Capital Campaigns, Kiski designates specific needs and goals carefully designed to ensure a successful future for the School and our students. These initiatives add to the endowment fund, provide funding necessary for new facilities and/or renovations, or make possible new program initiatives strategically identified as a specific need to meet ongoing goals of the School’s educational mission.

Please make a difference today!

By giving and getting involved this year, and every year, you make a difference in the lives of Kiski Boys. Your gift supports the programs and activities that define the Kiski experience.

For more information or if you have any questions about Kiski’s fundraising programs and initiatives, please contact the Advancement Office at

724-639-8029 or advancement@kiski.org.
