THANK YOU

Dear Friends:

Thank you for your loyal and thoughtful support of The Kiski School. It is remarkable that during this time of transition to co-education—after 136 years of boys-only education—and a change in leadership—only our eighth overall and first in 22 years—your support of Kiski reached even greater heights. Your faith in our school is heartwarming and emboldening. We are entering into this exciting new phase of our history with heightened enthusiasm. Generations of Kiski Girls and Boys will benefit from our unparalleled educational experience.

This year (July 1, 2023 – June 30, 2024), \$4,875,384 was given to our worthy cause by 759 donors. Their names are listed on the pages ahead but their impact will be felt for far longer than this brief reflection on their generosity. The Kiski impact echoes forward. After all, our mission is to prepare students to succeed in college and in *life*. A glimpse of that enduring pattern of success is captured in each issue of the *Kiski Bulletin*. That pattern has been repeated for 136 years and is unmistakable in its skeletal form, even as the school evolves. Our core experiences have been repeated for generations.

At Kiski, each year, our students are guided toward their full academic, athletic, and personal potential by caring faculty and staff. A mixture of legendary faculty and promising new instructors utilize small-group settings and the extended days of a boarding school to learn the strengths and weaknesses of their wards. They are encouraged to improve their efforts along with their grades. Study skills are sharpened. Multitasking abilities are strained as myriad interests are explored. Self-reliance is balanced with the encouragement to ask for readily available and generously offered help. Civility is stressed over consensus. Perspectives are not simply adopted or rejected, but collected and respected. They are harvested from a multitude of upbringings in the dorms, classrooms, and bus rides. Life lessons are carried forward and applied throughout lifetimes, modeled for others, or explicitly shared with new generations. They echo.

These experiences form a throughline that connects us all as stewards of Kiski. As we adapt, those common themes remain strikingly resilient and universally treasured. We are grateful for your commitment to sharing them forward into this new era for the School and our students.

Thank you!

With all good wishes,

Dr. Mark Ott

No matter what was going on in my life, Kiski had my back during my four years and I know they will continue to have my back beyond my time there. The unbreakable bonds, unforgettable memories, and lessons learned at Kiski will forever be appreciated. They will be carried on throughout any journey I embark on in life and will be a tremendous part of any of my successes down the road."

The Kiski Science Trust

In 2008, alumnus Elliott B. McConnell Jr. '46, established The Kiski Science Trust. The Kiski Science Trust is an endowed fund to be used for teaching as well as promotion of the sciences at Kiski. The Science Trust has also been generously supported by Harry Seibel '00, Van Messer '69 and Mr. McConnell's family members. The fund benefits the sciences at Kiski by providing annual cash flow to purchase state-of-the-art scientific equipment, attain science-industry guest speakers, and explore the sciences outside of the classroom by allowing the students to attend science-related field trips. Sadly, Mr. McConnell passed in 2018 but his impact on the Kiski Science program will continue. His hope was to help Kiski be nationally recognized for science education. This trust provides an example of ways in which donor support for Kiski enables the School to achieve its goals and maintain excellence in all aspects of the educational experience.

IS THERE AN AREA IN WHICH YOU WOULD LIKE TO HELP?

If you have an area of interest in which you would like to help The Kiski School achieve its goals of excellence, please contact Steven T. Szilagyi '88, P'21 at advancement@kiski.org or 724-639-8029.

We are proud that 100% of our faculty gave to The Kiski Fund during the 2023-24 Fiscal Year. Their names are listed below with the year they were first appointed to Kiski.

Dear Friends,

We are excited to update you on the success of our For the Boys capital campaign that was specifically created and implemented to help us to raise critical scholarship support for Kiski students. We are thrilled to inform you that we reached our campaign goal to raise \$5 million in student tuition aid more than a year ahead of schedule!

We are especially pleased that as part of the campaign as well as our annual fundraising initiatives, The Kiski School also received \$1.6 million via the PA Educational Improvement Tax Credit (EITC) program. Further, our endowment increased by over \$1 million this past year and The Kiski Fund and other annual giving programs and events raised a significant amount of incredibly important unrestricted support.

Our annual giving programs brought in a total of \$1,395,817 in fresh funding for the school's annual operational needs. Furthermore, with regard to total fundraising for the school, through our portfolio of fundraising programs and projects, we successfully raised a grand total of: \$4,875,384. This is indeed noteworthy and very positive news as it is the largest annual amount of new funding that Kiski has raised in many years and it was all successfully completed in a year that was truly unlike any other in the history of The Kiski School.

We are tremendously grateful for all who have loyally supported and generously made donations to our important giving programs this year, enabling Kiski to do many great things like provide tuition assistance to students who would not have been able to afford a Kiski education. This financial support is important for our student enrollment as traditional markets for families able to afford a boarding school education have been shrinking over the past decade. COVID-19 further increased the need for financial aid by reducing enrollment of full-tuition international students. Additionally, in the post-pandemic world as well as throughout our country, the financial aid needs of students grew significantly.

Now, looking forward together, please know that we remain fully committed to providing an unparalleled educational experience at Kiski and, as always, we continue to value and celebrate socio-economic diversity at the school. The learning, maturation, and growth of our students continues to be greatly influenced by the students themselves. Kiski will continue to open our doors to as many quality students as possible each year.

The school recently made the bold yet strategic and financially necessary shift to the co-educational model of education. We are excited that this new educational approach will enable Kiski to draw top-tier students from a significantly broader pool of applicants attracted by our principles, traditional core values, and high academic standards. This decision will grow enrollment, expand academic offerings, maintain athletic and extracurricular programs, and further strengthen the school's financial sustainability.

There is, of course, still much work to do to readily provide accessibility to driven and accomplished students who desire to attend our school. This is why Kiski is now extending our scholarship and financial aid campaign to a second phase. The next phase of our capital campaign will be known as our For the Girls and Boys campaign and it will be fully focused on raising much-needed tuition assistance for our students during the next year.

This new financial support from the capital campaign will enable Kiski to implement strategic initiatives to move into the future with a strong and healthy enrollment. Kiski is now on a positive course to impact more students through financial aid while simultaneously increasing outreach and holding cultivation events within traditional markets as well as new areas both domestically and internationally to directly attract more full-pay and tuition capable students to the school on an annual basis.

Should you have any questions about Kiski, our institutional advancement programs, or our planning for the school's future, please feel free to directly contact me at: 724-639-8028 or steven.szilagyi@kiski.org.

With my deepest thanks and gratitude for your dedication to Kiski, our fundraising programs, and our important educational mission, I remain

Most sincerely yours,

Steve Szilagyi '88, P '21

Last year a remarkable group of 45 donors gave \$686,850 via the EITC program—providing necessary tuition assistance for 32 deserving Kiski kids from PA, while receiving \$618,165 back in credits to use against their PA tax burdens! That's an average net cost of \$1,526 per donor!

HEAD OF SCHOOL CUP COMPETITION (Annual Gifts Only)

Each year, we rely upon our fantastic Class Captains to energize and organize their classmates to come together to support Kiski. The **Head of School Cup** provides recognition to the classes and Class Captains who have made an extraordinary effort to give back to Kiski. The awards for **Most Dollars** and **Most Donors** are given to classes contributing the largest amount and having the highest number of donors to annual giving from July 1, 2023 to June 30, 2024. Likewise, classes have the opportunity to achieve the award for **Highest Percentage of Participation** in the fiscal year. This gives classes that have fewer members a chance to achieve recognition for their efforts. The Highest Percentage of Participation award is a competition for classes with at least ten active classmates.

GIFTS IN HONOR AND MEMORY

Gifts in honor and memory are made to commemorate, recognize, or celebrate. By designating a gift as such, your gift invites The Kiski Community to share in your memory and recognition of a special individual or group. These gifts speak to the depth of emotion and connection between Kiski and the individuals who have included these meaningful dedications.

GIFTS TO THE KISKI FUND BY PARENTS

We would like to thank our parents for supporting The Kiski Fund while funding the education of their Kiski students. These gifts are seen as a strong show of confidence in Kiski, and a measure of support that foundations consider when they review our grant requests.

Volunteer members of The Kiski Fund Parent Committee dedicate their time to encouraging peer participation in The Kiski Fund. Thank you for your advocacy.

WHY GIVE TO KISKI?

Perhaps you are an alumnus and would like to contribute to the education of our current class of Kiski students, just as alumni donated to The Kiski Fund when you were a current student. Or, maybe you are a current parent whose gift will support the faculty and programs that make Kiski so special to your family. Maybe you are a "Friend of Kiski" and simply believe in the good work we are doing with kids.

Regardless of your motivation to give, your gift will be greatly appreciated by the students who receive your support.

YOU MAY THINK...

The annual fund supports extras the kids don't need.

NOT TRUE! The annual fund is built into the budget each year and covers expenses that are central to Kiski's unparalleled experience.

YOU MAY THINK...

I can't to give a lot, so my gift doesn't matter.

NOT TRUE! Gifts of all sizes speak to your belief in a Kiski education. Your healthy participation has helped us to secure large foundation grants because they see your giving as a vote of confidence in Kiski.

You can make a difference in the lives of Kiski students. Scan the QR code to donate today!

YOU MAY THINK...

Kiski has raised millions of dollars in its capital campaign. They don't need my annual giving support too.

NOT TRUE! If Kiski was your house, capital campaigns would cover non-annual expenses like putting on a new roof. The annual fund would cover recurring expenses like electric bills. Even if you need to replace the roof for the long term stability of the house, you still need to pay your electric bill.

WHAT IS #GIVINGTUESDAY?

Giving Tuesday is a global initiative that encourages support of non-profits on a day of philanthropy that follows Black Friday and Cyber Monday.

On December 3, 2024 Our 2024 Goal is to receive gifts of any size from 250 unique donors.
